Sanction requested.

The pay of the Compounder and dresser attached to the Veterinary Hospital has been fixed at Rs.30-½-35-½-40-50. (vide proposition statement communicated with your No.I365 I6L-I925 D/II-2-27) The present incumbent, E.D'souza, had been drawing Rs.40/- P.M under the Municipality. since I-4-'24. In his objection d/2-5-27 (copy enclosed) the Pay and Accour Officer states that the Compounder " cannot draw in excess of the sanctioned scale of pay unless the Hon'ble the Resident grants an advance increment of Rs.IO/- under F.R.2 As the Compounder was already drawing Rs.40/- under the Municipality it is unfair that he should be paid less from I-4-'27. In these circumstances, I request that the sanctio of the Hon'ble the Resident required by the Pay and Account Officer may be kindly obtained and communicated to me. The extra cost involved can be met by re-appropriation from the savings anticipated under" Supplies and Services" in the current year's budget.

Liveries for the Veterinary Hospital peon
Sanction requested.

I invite a reference to the Hon'ble the Resident's Proceedings No. 3720 dated 27-4-1927, sanctioning a peon for the Veterinary Hospital. The Veterinary Superintendent, requested Mr. Blake on 27-4-1927 ~~Mr. Blake~~ to accord sanction for the purchase of liveries for the peon. As the sanctioned scale for a peon's liveries in the Station is Rs. 10/-, Mr. Blake sanctioned the purchase. But it appears from the Pay & Accounts Officer's No. P.B.15-244 dated 25/26th April 1927 to the Munsiff Magistrate, C & M Station, Bangalore, a copy of which was forwarded to you with my endorsement No. 2225-A-27 dated 13th May 1927, that specific sanction should be obtained in this case also. I therefore, request that sanction may be kindly obtained for the purchase of the peon's liveries at a cost not exceeding Rs. 10/- per annum. The Veterinary Superintendent, has already incurred Rs. 8/- towards the above I have instructed him to pay the amount from his permanent advance ot to recoup it from the Treasury pending receipt of sanction.

Veterinary Hospital - Discharge of P.
Clerk and bill Collector.

---:0:---

The Veterinary Hospital Staff, as it existed under the Municipal Commission, was transferred to my control with effect from 1-4-1927. P. Janardhan, clerk and bill collect of the Hospital, had been confirmed by the President, Municipal Commission, Civil and Military Station, Bangalore, in that post and had put in about 3 years service in it. He is not qualified for a clerk's post in Government service and his work is not such as to justify exemption from the examination rules in his case. It is desirable that a properly qualified clerk who could be transferred to other offices under the Collector, if necessary, should be appoint I am therefore submitting proposals separately to regrade the clerk's pay as in other Government offices. I propose to discharge Janardhan and have given him 3 months's notice of discharge.

The President, Municipal Commission, states that there is no post in the Municipality to which Janardhan can be appointed he was entertained for and confirmed in the post in the Veterinary Hospital and is not suitable for employment in any other department of the Municipality. I fear, therefore, that nothing can be done towards securing him any other employment. His position is virtually that

his post under the Municipality has been abolished and that he is not eligible to hold permanently the newly created post under Government. As the Hospital had to be transferred to Government at short notice, this aspect of the matter was over-looked when giving effect to the change. I solicit the a the Resident to the above proposal.

Sir,

Veterinary Hospital establishment - Counting of Service under Municipal Commission - Revision of pay of Clerk and Peon - Sanction requested.

---:oOo:---

Hospital staff, as it existed under the Municipal Commission, was transferred to Government control with effect from 1-4-1927. Under Fundamental Rule 130, the service put in by the staff in the Municipality prior to 1-4-1927 will not count as duty performed but a Local Government may allow previous service in such cases to count as duty performed on such terms as it thinks fit. The staff had put in permanent service ranging from 16 years to 1 year under the Municipality, vide detailed list of the establishment enclosed. The service put in by the menials may be ignored, as their posts are not pensionable; but that put in by Nos. 1 to 3 under "Superior Service" cannot, in fairness, be so ignored. I, therefore, request that sanction be accorded, or obtained from the Government of India if this be necessary, to allow their previous service under the Municipal Commission, to count as duty performed under Government. No action is necessary in the case of No. 4 P. Janardhan, clerk and bill collector, as I have given him a notice of discharge, vide correspondence ending

with

with your No. 8669 dated 24-8-1927. S. 96

2. The sanctioned pay of the clerk and bill collector is Rs. 30/- per mensem, I enclose a list of his duties in the Hospital which shows that he has responsible work to attend to. It is therefore desirable that that this post should be held by a properly qualified clerk, who could be transferred to other offices under the Collector, if necessary. I accordingly recommend that the clerk 's pay be revised from Rs. 30/- to 35 -2- 55, so that it may be on a par with the pay of the clerks elsewhere. The proposed scale, if sanctioned, may be given effect to from 1-12-1927, when the present clerk will have been discharged and a qualified man appointed in his place.

3. The clerk was also doing the work of a bill collector under the Municipal Commission and he continued doing so for sometime after 1-4-1927 also. He used to go and collect Hospital dues from parties who were in arrears and to carry monies to the Municipal Revenue office prior to 1-4-1927 and to the Imperial Bank of India after 1-4-1927. This took up much of his time to the detriment of his clerical work. I, therefore, directed the Veterinary Superintendent, to relieve the clerk entirely of collection work, to see that the Hospital dues were paid in the Hospital itself and to report to me cases in which he found it difficult to collect the dues himself so that I might get them collected by the Revenue Inspector, C & M Station, Bangalore. The clerk has also been relieved of remittance work, which has now been entrusted to the peon sanctioned in your No. 3720, dated 27-4-1927. I however consider that the practice of entrusting cash to a low paid peon is not safe and that a security of Rs. 20/-, the daily Hospital receipts will not exceed this amount - should be taken from him, his designation being changed

to "Gollah" or "Attender", and his pay raised from Rs. 15/- to Rs. 20-1-25.

4. As the Veterinary Hospital was transferred to Government control with effect from 1-4-1927 and as the pay of the staff for March 1927, which was due in April, was paid by the Municipal Commission, there will be a saving of about Rs. 260/- in the current year out of Rs. 4,290/- sanctioned under "I - Agriculture - Veterinary Charges I, - Pay of Establishment". The extra cost to be met in the current year, if the proposals in paras 2 and 3 are sanctioned, will be about Rs. 40/-, which can be met from the above savings.

I have the honour to be,

Sir,

Your most obedient servant,

COLLECTOR.

With reference to your Endt. No.10080, dated 1-10-1927 forwarding for remarks letter No.E No.4367/A/27, dated 12-9-27, from the Collector on the above subject, I have the honour to state as follows:-

Counting of service

Under rule 130 of the Fundamental Rules, the sanction of the Government of India is necessary for allowing the previous service of the establishment under the Municipal Commission to count as duty performed under Government.

Revision of pay of clerk.

There is no objection to the revision of the pay of the clerk from Rs.30/- to Rs.35-2-55 being sanctioned by the Hon'ble the Resident.

Revision of ~~the~~ pay of the peon and change of his designation into Golla or attender.

The only ground on which the pay as well as the designation ~~is~~ proposed to be changed is that the peon has to take remittances of about Rs.20/- daily to the Bank. The carrying of a remittance of such a small amount does not seem to be a sufficient reason for the proposed revision of pay and change of designation. I may mention that the golla of this office

who

has given a cash security of Rs.75/- carries large rem
:he Bank daily, often exceeding Rs.5000/-, but his pay
.5/- per mensem. If however the Hon'ble the Resident i
:sed, there is no accounts objection to the pay being r
i Rs.15 to Rs.20-1-25 and ~~and~~ a security of Rs.20/- bei
:n from him. There would be also no objection to his d
i being changed into "Golla" or "Attender" if his dutie
